John,

Thank you for agreeing to do this. I thought it was outstanding. Writing is becoming a lost art form.

Hi David. I just wanted to say thank you very much for the opportunity to give the presentation yesterday. Not only did I enjoy doing it very much, but I learned a lot from doing the prep work, and I think it will make me a better writer.

It was a lot of fun, and from everything I hear, the crowd seemed to enjoy it as well.

So thank you again. Hopefully I'll see you for the May workshop on Social to Mobile.

Best,

John
